# RETAIL IS SMALL BUSINESS

The overwhelming majority of retailers are small businesses, with more than 98 percent of all retail companies employing fewer than 50 people.

May is Small Business Month, but we celebrate small business year round:

## SMALL BUSINESS RETAIL COUNCIL

The **Small Business Retail Council** is a forum for NRF's small business members to discuss the most pressing public policy issues and priorities.

## RETAIL ACROSS AMERICA

NRF's **Retail Across America** campaign spotlights retailers large and small that are creating jobs, driving innovation and giving back to the communities they serve.

## AMERICA'S RETAIL CHAMPIONS

NRF is sponsoring 50 trips to Washington, D.C., for small retailers to attend the **Retail Advocates Summit** in July. **Nominate a local retailer today.**

Learn more about these programs and check out news and resources specifically for small retailers at [nrf.com/smallbusiness](http://nrf.com/smallbusiness). Join the [#retailissmallbiz](https://twitter.com/retailissmallbiz) conversation and share your own story on Twitter and Instagram.
